**N-Viro International Corporation Announces Annual Meeting Date and
Record Date**

Toledo Ohio, Friday, June 12, 2009 – N-Viro International Corp. (OTC Bulletin Board: NVIC.OB) (“NVIC”) an environmental and materials operating company that owns patented technologies to convert various types of wastes into beneficial reuse products, announced today that it will hold its 2009 annual meeting of stockholders in Toledo, Ohio on Wednesday, August 5, 2009. NVIC's Board of Directors has established a record date of Wednesday, June 10, 2009. NVIC stockholders of record at the close of business on such date are entitled to receive notice of, and to vote at, the annual meeting. In addition to this announcement, NVIC will send a notice of meeting, proxy statement and annual report to all stockholders of record. The proxy statement will also include the specific time and location of the meeting.

About N-Viro International (www.nviro.com)

N-Viro International is an environmental and materials operating company that owns patented technologies to convert various types of waste into beneficial alternative fuel products, including the renewable biofuel N-Viro Fuel™ and N-Viro Soil™. Its renewable biofuel technology, N-Viro Fuel™, has received alternative energy status from the U.S. Environmental Protection Agency, which qualifies the technology for renewable energy incentives. N-Viro International operates processing facilities independently as well as in partnership with municipalities.
